1) Please comment on the instructor's teaching.

I don't think that I can stress this too much: she is an incredible teacher. I learned so much and benefited from unbelievable critique and constant <sup>intelligent</sup> feedback.

She is unbelievable dedicated to her job.

2) Please comment on classroom activities.

Good - it was kind of a big class so ~~per~~ not as much time for everyone to participate. Also I liked when discussions got a little more free-form.

3) Please comment on materials and organization of the course.

- SO MUCH excellent, supplementary material  
~~It was very~~ interesting.

4) Please comment on the work required in this course (writing assignments, tests, oral presentations, conversation groups, etc.).

Unbelievable amounts of critique on returned assignments, showed me specifically how to correct my mistakes.

5) Other comments or suggestions you would like to make.

- I don't have any - she was incredible.

This is a really lame evaluation, but honestly everything was perfect. It is hard to do justice to what a fantastic instructor Pauline was.

I was motivated to succeed and had an unbelievable amount of guidance. I am genuinely grateful <sup>to have had</sup> ~~for~~ the opportunity to take this class and be taught by Pauline. Thank you!
